

# Bryan O. Nekoba, PE

Professional Mechanical Engineer

Bryan Nekoba has over seventeen (17) years of experience in mechanical engineering and over fourteen (14) years of mechanical consulting. His experience includes commercial, retail, educational, healthcare, hospitality, agricultural and residential design.

This work includes various CCSD schools, Sam's Club, Wal-Mart Distribution Centers, University of Phoenix, Department of Aviation, Department of Veteran's Affairs, Pocola Casino and Hotel, and numerous office and medical office tenant improvements, restaurants, renovations, and facilities assessments.

Bryan has a bachelor's degree in mechanical engineering from the Colorado School of Mines and is a licensed professional engineer in Nevada, Texas, California, Georgia, Utah, Missouri, Arizona, Colorado, and pending in New Jersey.

Bryan has excelled in coordinating design tasks with other disciplines, client relationships, managing and delivering projects on time, providing a high level of support and attention to detail, and meeting clients' expectations.

He is a member of American Society of Heating Refrigeration and Air Conditioning Engineers (ASHRAE).
